

Chapters 16 & 17– Group Discussion / Application Activity

You are a group of seasoned teachers chosen to be peer mentors for new teachers in a PreK-8 school. Your school is in an economically disadvantaged and ethnically diverse area. The school also has a large special education population with various special education supports and programs. Despite the poverty of the surrounding area, the school has a number of resources for its students, including various sources of media and several wireless student computer stations per classroom.

What are some of the key things you would want to be sure to mentor the new teachers with regards to effective instruction for...:

- ... a wide age range of students?
- ...economically disadvantaged students?
- ...disabled students?
- ...ethnically diverse students?
- ...using media?
